
US 60 Turn Lanes Construction

PHASE ONE

Oct. 6-Late October *

Six left-turn lanes will be constructed at:

- Business access road east of KY 180 signal; BP/local business access; two access roads near Wendy's/Wal-Mart signal; two turns at Wayne Supply/Wolohan Drive

PHASE TWO

Late October to Mid-November *

Three left-turn lanes will be constructed at:

- Cedar Knoll Drive; Midland Trail Road; Booth Quillen Road

** All dates are approximate ... In each phase, the fast lanes in both directions will be CLOSED and traffic could be affected at crossovers throughout the project!*
